## COMMODORE'S CORNER

### SUMMER PARTY

We had a great turnout of about 65 at our August 6th "Summer Party" that was held at the PYC Regatta Room, this being the largest attendance in many years! Dickey's BBQ and the PYC staff catered the event and both really did a fantastic job. The theme this year was "Hawaiian Dress" and the best dressed winners were Mike Floberg (& his parrot!) for the men, and Mary for the women. Awards were given to the top three places in both categories. Thanks to our three judges (Thea Thomas, Elayne Kuehler and Rita Floberg). The 12 pineapple table decorations were won by the members/guests who happened to be seated in a chair with a pineapple picture taped to the bottom.

### GENERAL MEETING

We held our 3rd quarter General Meeting on August 13th at NOYC . Special thanks to George Hero for giving us a very good presentation and demonstration on how to properly tie 12 of the most common knots used by sailors. In addition George provided sketches of all the knots as well as the proper tie-up procedure to use for your boat in the event of an approaching hurricane. Refreshments were served this time during the meeting, and we expect to continue this practice in our future meetings. On another note, we would certainly like to see

a little higher turnout at these meetings, as we've been averaging only about 30 % of the membership. The meetings are an excellent opportunity to learn more about sailing/racing, receive trophies from past races, meet other members and enjoy refreshments.

### RACING

On the racing front, our past commodore, Dieter Hugel, has been representing us on the LPRC Race Planning Committee and has been successful in getting the LPRC to agree to add a "classic" spinnaker and non-spinnaker class to the regatta this year (October 28, 29 & 30). These two classes will each race one triangular course each day and therefore be more representative of the type of courses we typically use. The overall objective is to substantially increase the participation in this great regatta. PLEASE make a special effort to sign up for this race. You can find the details on the SYC or NOYC web sites. Thanks, Dieter, for all your efforts on our behalf!

On the North Shore, the joint CSA/PYC summer series has been completed with 19 CSA boats competing along with the PYC boats. Special thanks to PYC for providing a committee boat and PRO (Lloyd Causey) for these races! The CSA results are as follows:

<u>Spinnaker</u>	<u>Non-Spin - "A"</u>	<u>Non-Spin "B"</u>
1st: Jalapeno	Knot Normal Too	Ondene
2nd: The Bear	Aqua Mystic	Tata Duende
3rd: Whiskers	-----	-----

The South Shore sailors have also been busy with 65+ boats participating in the joint Starlight Series with Southern Yacht Club., including five Wednesday night races each followed by a fantastic party with free rum & beer! The single handed race is coming up in September and there will be an auto pilot class again this year.

The Round the Lake race was sailed on August 20th with 18 boats entering, but only 9 finishing (bad weather and North Shore sailors recovering from the Great Flood of 2016). The winners were:

<u>Spinnaker</u>	<u>Non-Spinnaker</u>
1st: Defiance	Pinocchio
2nd: Anemone Tickler	Aqua Mystic
3rd: Madam J	Knot Normal Too

### NEW MEMBER

Please welcome our newest member to our racing community; Billy Marchal who sails at J-22 named Whistling Wind III. This now brings us up to 81 total members.

The next major CSA event is the September 24th Great Lake Race. Let's plan to have a great turnout for this 20 mile steeple chase race around the NOYC buoys! Check out the details on our website, [www.corinthians.org](http://www.corinthians.org).

I Hope to see you on the water soon!

Gerald
