COMMODORE

"During a race I only trust my crew. And some of them I question."

1931 — 2019

It is with genuine sadness that we honor the passing of the original Corinthian, Charley Erickson. Charley was one of the founders of the Corinthians, designed the official burgee, and worked tirelessly to maintain the integrity of the organization. He personally recruited members to establish a North Shore fleet, introducing many of us to racing for the first time, as well as coaching, teaching, and mentoring us, while expanding the base of the Corinthian Sailing Association. Charley sailed his last race on March 30. He passed away 11 days later on April 10, nine days short of his 89th birthday.

Happy sailing, skipper!

COMMODORE'S CORNER

Spring is here and everything is new again. Even the New Orleans Municipal Yacht Harbor is being repaired. The 2019 Sailing season is in full bloom and the CSA/NOYC Wednesday Night series has been completed. Corinthian racing on the North and South shore is in full swing. I hope you are all in-

We recently had a General membership meeting on the North shore with guest speaker David Bolyard talking on starts and rounding rules. I'm sorry if you missed this, as it was a very informative talk.

The Summer Party will be at Pontchartrain Yacht Club on August 10th. Please come and support the club and enjoy -- Debbie has secured the same caterer as last year. Save the date, and plan to make the trip for great fun, prizes, food and good company.

On a sad note, we want to say farewell and smooth seas to Charlie Erickson, who passed away this spring. Charlie was one of the original members of the Corinthian Sailing Association and a strong supporter; also, he was Commodore on three different occasions, starting in 1983. He started the CSA North Shore Fleet, was an Eagle Scout, a Boy Scout Master and, with Tim Fortney, helped start a Sea Scouts Chapter on the North Shore, during the last couple of years. Charlie was out on the water sailing 2 weeks before he passed. Charlie will be missed.

I hope you will all get more involved with the Corinthian Sailing Association and bring friends and young members to keep our club active for all. Come and enjoy the water and the challenges of sailing

Thank you for your support.
see you on the water.

2019 South Shore Race Results

CSA Triangle race was on June 1st. The boats started at A mark with a beat to Delta. The staggered start was for 7: 11 through 7:19 for most the boats. Wind was 9 to 12 mph out of the NE. This was a great leg upwind. At Delta the wind died and shifted to south. The last 300 feet of beat was light and wavy, power up sailed was critical with 110 taking angle. Most boats rounding at 8pm. It took 1 hour for everyone to get back due to light winds and shifts. Spinnakers were up for maybe 10 minutes and then the shift. Everyone had to tack to C mark. Pinocchio went the most south and still missed C mark by 260 feet. From C to A, the winds were light and building with finishing at hull speed.

Night racers had a great time.

SS RC Report:

Spin A:	Pinocchio	21:04:31
	Tigi Too	DNS
Spin B:	Blitz	21:08:25
	Trout	21:19:00

Non-Spin: Paloma 22:17
